RE: South Carolina Electric & Gas Company
Notice of Construction Project

Dear Mr. Terreni:

South Carolina Electric & Gas Company ("SCE&G" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412(2.7) (1976, as amended). In compliance with Commission regulation, this letter serves as notification to the Commission that SCE&G plans to upgrade the fire water supply system at its liquefied natural gas plant located at Bushy Park near Charleston and that the project will result in a cost greater than \$500,000. SCE&G anticipates that construction will commence in March 2009 with an anticipated completion date of August 2009. When fully operational, this upgrade will enhance the Company's existing safety facilities at the plant.

By copy of this letter, we are also notifying the South Carolina Office of Regulatory Staff of this Company's construction project.

If you have any questions, please advise.

Very truly yours,

K. Chad Burgess
